

company like DISH Network carry public broadcasting in high def. It really does go against free market principles. I do know that is going to continue to be worked on. We are looking forward to getting that issue resolved.

I thank the gentleman from Florida.

Mr. STEARNS. Madam Speaker, how much time do I have left?

The SPEAKER pro tempore. The gentleman from Florida has 7½ minutes.

Mr. STEARNS. I yield such time as she may consume to the gentlelady from Wyoming (Mrs. LUMMIS).

(Mrs. LUMMIS asked and was given permission to revise and extend her remarks.)

Mrs. LUMMIS. I would like to thank the chairman and ranking member of the Judiciary Committee for the inclusion of language from my bill on statewide public television. Passage of this legislation will remove the legal obstacles for satellite carriers to offer statewide public television in Wyoming and other States. I don't care whether it's in high def or not. I just want public television carried in Wyoming and other States, and that's been achieved. So thank you kindly.

I also thank the gentleman from Georgia (Mr. DEAL) who worked diligently to address the problem of local television market areas. Despite his good work, I rise today to express regret for the missed opportunity the passage of this bill represents.

The decision to put off for another 5 years any real reform to the system of designated market areas carries with it very negative consequences for the citizens of my State. Out of Wyoming's 23 counties, 16 do not have satellite access to Wyoming-based stations. Over half of all television households in Wyoming do not have access to local television.

For a rural State like Wyoming, satellite sometimes represents the only viable option to receiving television programming. The inability to receive local stations restricts access to local content and severely limits the reach of emergency notifications.

Emergency situations, like the butane tank truck that recently overturned on an icy highway during a blizzard, should serve as proof that the availability of local stations on satellite television is not just an entertainment issue. The DMA system may make sense for the densely populated areas in the East, but it has created an absurdity in the sparsely populated areas of the West. I am grateful for the inclusion of a study to find a better way to determine what the local market is.

But, Madam Speaker, people in Wyoming do not need a study to tell them that when their network TV station originates 400 miles away from a different State, they are not receiving the local content they need. For this reason, I cannot support passage of this bill despite its tremendous improvements.

Mr. JOHNSON of Georgia. Madam Speaker, I rise today in support of H.R. 3570, the Sat-

ellite Home Viewer Update and Reauthorization Act of 2009. I strongly support this important piece of satellite television reauthorization legislation.

H.R. 3570 reauthorizes satellite operators' licenses to import distant network affiliate television signals to viewers who cannot receive a viewable signal from their local affiliate. This is important as it allows satellite and cable television providers to carry out-of-market television signals to households that cannot receive stations in their own local markets. This allows state public television networks to reach all their state's residents with important news and public affairs programming.

Alongside the chairman, I worked hard to get the phantom signal language included in the bill. I am proud of the final product and believe it is something about which all Americans can be proud.

Previously, due to flaws in existing law, broadcasters sometimes paid royalties to content reducers even when programming was not actually delivered to subscribers. Royalties for the transmission of broadcast signals to cable systems were paid as if the entire cable system received the transmission, even if it was only received by some subscribers within the cable system. This has been known as the phantom signal problem. The cost of this flaw was passed down to consumers. With the passage of this reauthorization, including my phantom signal language, the American people will no longer be forced to pay for programming they have not received.

I join the chairman in urging my colleagues to support this bill. As a result of this legislation, constituents in my district will not be forced to pay for satellite and cable programming they have not received and, as a result, save money in this economy.

Mr. STEARNS. Madam Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Michigan (Mr. CONYERS) that the House suspend the rules and pass the bill, H.R. 3570, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. CONYERS. Madam Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

COMMUNICATION FROM THE CHIEF ADMINISTRATIVE OFFICER OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Chief Administrative Officer of the House of Representatives:

OFFICE OF THE
CHIEF ADMINISTRATIVE OFFICER,
Washington, DC, December 1, 2009.

Hon. NANCY PELOSI,
Speaker, House of Representatives, Washington,
DC.

DEAR MADAME SPEAKER: This is to notify you formally, pursuant to Rule VIII of the

Rules of the House of Representatives, that I have been served with a subpoena for production of documents issued by the U.S. District Court for the District of Connecticut, in connection with a criminal matter now pending in the same court.

After consultation with the Office of the General Counsel, I have determined that compliance with the subpoena is consistent with the precedents and privileges of the House.

Sincerely,

DANIEL P. BEARD.

CONGRATULATING THE DETROIT CATHOLIC CENTRAL SHAMROCKS

(Mr. MCCOTTER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCCOTTER. Madam Speaker, today I rise to recognize the Michigan Division 1 State High School Football champions, the Detroit Catholic Central Shamrocks. On November 27, 2009, the Shamrocks defeated a fine Sterling Heights Stevenson team 31–21.

The victory earned head coach Tom Mach his 10th State championship in his 34 seasons leading the Shamrocks. The team's hard work, mental toughness, and burning desire epitomizes what it means to be a Shamrock molded by the Basilian Fathers and their mission to teach young men goodness, discipline, and knowledge. Truly this accomplishment is shared by the entire CC family.

Madam Speaker, meeting the challenge with an undefeated record of 14–0, I ask my colleagues to join me in congratulating the Detroit Catholic Central Shamrocks upon winning their Michigan State football championship and for proving they are indeed men of Mary, Alma Mater, who inspires us evermore.
